Grain Free Chicken Pops

Ingredients

- 2 cups Natural Apple Sauce
- 1 Chicken Breast, cooked
- 1 tablespoon dried Parsley
- 1 tablespoon Molasses

Directions

1. Blend the apple sauce, chicken parsley and molasses until smooth.
2. Pour into molds and allow to freeze for up to eight hours, to allow them to fully set.
3. Run warm water around the mold to remove.

Thanks to <http://doggydessertchef.com/2014/07/12/apple-chicken-ice/> for the recipe!

***Please keep in mind that animals can have allergies to new products and ingredients just like humans. Always be cautious and aware when trying new pet items.

Breed of the Month

The Rottweiler got its name from the town it was bred in, Rottweiler, Germany. They were originally used as herders, guards, messengers, and for police work. Rotties were nearly extinct in the 1800s but have since made a comeback and are known for being courageous and loyal to their families.
